Subject: (Request for approval of Technical Action Requests
numbers 26, 27 and 28)

Dear [redacted]

25X1

Our Engineering and Production Departments have completed several tests and have recorded the data obtained through these tests in the subject TAR's. We would appreciate your reviewing this information and approving these TAR's. If they meet with your approval, please send us four executed copies of each TAR as quickly as possible.

Very truly yours,
